OUR OVERRIDING GOAL IS TO PROVIDE A SUPPORTIVE ENVIRONMENT IN THE PRIVACY AND COMFORT OF YOUR OWN HOME.

Choosing the right home healthcare agency is critical to ensuring high quality home care. With David York Agency, you have peace of mind knowing that you will receive exceptional healthcare administered by experienced, compassionate and caring professionals.

Getting Started

From the very first time you call David York Agency, we make every step of the process as easy and comfortable as it can be.

- 1.** An Intake Coordinator will discuss your unique situation and requirements.
- 2.** Within 24 hours of taking on a case, a Nursing Supervisor conducts an initial home visit to develop a comprehensive care plan.
- 3.** We contact your Physician and any other concerned healthcare professionals in order to develop an appropriate treatment plan.
- 4.** We schedule regular visits to your home by a Registered Nurse to make sure the care provided is appropriate and meets your health and rehabilitative needs. Changes and any necessary adjustments are made as often as needed.

If you or a loved one must consider home care because of an illness or disability, it is reassuring to know that you can turn to David York Agency.

David York Home Healthcare Agency is a family run business since 1984 with a family feeling. The agency was founded over 30 years ago by two Registered Nurses who long realized there was a substantial need for affordable quality home care services provided and supervised by caring individuals. We view our clients as part of the DYA family.

Our executive staff has worked in many varied health care settings and is thoroughly familiar with the intricacies of the health care system. We apply our knowledge and experience to the individual health care needs of each individual client.

Our medical professionals have extensive hands on patient care experience having held supervisory and staff positions in hospital, nursing home and private home care settings.
